WEEKLY REPUBLICAN—1867.
DAILY PUBLIC LEDGER—1894.

THE HOME-COMER.

I saw in the home paper from Kentucky 't'other day
That natives of Kentucky from places far away
Was comin' home in June some time to spend a
day or two
Among the friends and relatives that they once
loved and knew.

Not all will see and greet them, for they're fadin'
one by one,
Like the fadin' of the midnight stars afore the
comin' sun,
Like the wither' of the meadow flowers afore
the winter's breath
They were reaped—but they shall grow—by the
sickle of grim Death.

I'd like to turn Time backward and live them old
days o'er—
Them happy days of childhood spent on fair
Ohio's shore—
When the future years before me was shinin'
clear an' bright,
And the birds sang, oh, so sweetly! I thought
there'd be no night.

"But who can live life over?" Youth is gone for-
ever now.
'Twill not be long till many years will on my
shoulders bow;
The frosts of many winters will silver o'er my
head,
And not so very long from now my friends will
all be dead.

So I guess I'll start back homeward toward the
scene of better days,
Where in life's sunshiny springtime the birds
sang sweetest lays;
Back to dear old Kentucky, where the happy
mockbird trills,
For he's glad he's in Kentucky 'mong her shel-
tering, green-clad hills.

Mrs. Judge E. C. Pfister of West Third street
had a narrow escape Tuesday evening from se-
rious injury. She was writing a letter by the
aid of a candle. The frill of the bonnet she
was wearing came in contact with the lighted
candle and in an instant there was a blaze.
The bonnet was cast aside happily, and fortu-
nately this most excellent lady escaped without
a mark, but her nerves were somewhat shaken.

WONDER if it was Union-made Dynamite with which MORAN and WEIR attempted to blow up that non-Union factory in New York?

I NOTICE where a fellow down in Cincinnati advertises a whole set of teeth for \$3—the kind that a Maysville Dentist charges \$15 for. Of course one ought to patronize the cheapest jackleg that he can find!

I was yesterday officially notified to be very cautious in using the name of a rather young member of the honorable Board of Council in

connection with affairs which deeply concern the public. I presume the warning was "official," in that it was given in the office of the Mayor, the Police Judge and the

Chief of Police, each of those officials being within eyeshot and earshot. And so we are to have a physical censorship as well as a financial boycott of the Press. Those who have been temporarily placed in charge of public affairs are to be immune from criticism on account of their public acts; and woe to the Editor who dares to trench on forbidden ground. And yet I have seen Councilmen and numberless other city officials come and go—while the newspaper goes right along transacting business at the old stand!

SPEAKING of the bursting of the Paper Trust, First Vice-President GEORGE A. WHITING said:

"The newspaper publishers will find to their cost that they have killed the goose that laid the golden egg."

Well, GEORGE, I never did have much of a hankering after "goose eggs" anyhow; and as this old goose insisted on laying golden eggs in your basket, guess the boys ain't a-goin' to do much weepin'.

WHILST a very brilliant man intellectually, the late CARL SCHURZ didn't stick to one thing long enough to do much good. He was a mediocre Minister to Spain, which he gave up to become a very poor Major General in the Civil War. He was by turns a Lincoln Republican, a Horace Greeley Democrat, a Hayes Republican, a Cleveland Democrat, a McKinley Republican, and his last "flop" was into Judge Parker's Democratic soup tureen. About the only "ism" that he didn't embrace was the Bryanistic free silver fad. He had held so many offices that he had forgotten the count; and, disgusted, he went away.

IT WASN'T HIS.

An urchin who occasionally ventured behind the scenes of a theater on the lower East Side of New York during rehearsals was one day observed by one of the actors sitting in a corner, lovingly eyeing a huge sandwich which he held in his grimy hands, says Harper's Weekly. He regarded it for a few moments, and then, cautiously lifting the top layer, extracted a piece of pickle and ate it; then he closed it down again very carefully and accurately made all as before. A few moments later he repeated the performance, taking out another piece of pickle and a small fragment of meat, and again carefully restoring the sandwich to its original form. After another short interval he took out more pickle and more meat, so that now there was very little of the original middle layer left, and again he closed it up carefully.

"What are you doing that for, Tommy?" the actor asked. "That's no way to eat a sandwich. Why don't you eat it all if you want it, and not pick at it like that?"

Tommy lifted a scornful eye to the actor's uncomprehending face and muttered laconically: "Tain't mine."

Approximate quantities on both streets about 19,000 square yards, all according to plans and specifications on file in the office of the City Clerk. A GREAT MEETING

Rev. J. M. Evans Arousing People at Elizabethtown

Rev. Joseph M. Evans of this city is engaged in a meeting at Elizabethtown, in Hardin county, and the following from The Elizabethtown News tells of what is being accomplished—

The revival at the Presbyterian Church continues to grow in power and influence upon the community. Sunday night the large auditorium was unequal to accommodate the congregation and some had to leave without getting seats. The afternoon services are all very largely attended. Rev. Evans seems to increase in power and his sermons and incidents are carrying conviction to many hearts. Many church people are feeling more sensibly than ever before that their lives are stumbling blocks to others and that they are drones in the Kingdom. The spiritual life of the whole community has come under the influence of this Godly man and has been wonderfully quickened. There have been eight additions to the Church and a great many have asked for prayers. This week the meeting will be more pronounced in its results and those who attend are certain of a great blessing. The singing of the Towner hymns which were used in the tent meeting, are becoming quite a feature of the services as good voices are added to the choir.

The essential to health, beauty of form and appearance and the well-being of the individual. Impure, impoverished, vitiated or depraved blood will not permit or sustain a healthy condition of the body. By the judicious and persistent use of

McDADE'S COMPOUND EXTRACT OF SARSAPARILLA

the indications of impure blood disappear, the dull eye becomes radiant, the step elastic, the pallor of the complexion is replaced by glowing, rosy cheeks, the languor and tired feelings of the individual vanish, the mental and physical vigor returns and all danger of a premature death is averted. FUNDS FOR "HOME-COMING"

Finance Committee Asks Contributions For Entertainment of the Visitors

MAYSVILLE, KY., May 9th, 1906.

To Mason County People: As Chairman of the Finance Committee, I take this means to ask every family to render what financial assistance it can, in order that the Committee on "Home-Coming" can make the home-coming a grand success.

Possibly 75% of every family in Mason county will have relatives or dear friends coming here for this event, and it is a question now of money—how well we will be able to entertain them.

The Entertaining Committee is now waiting on our Committee to see how much money will be at their command.

Kindly send me what you can. It matters not how little, for every contribution will be highly appreciated. MILLARD MERZ,
Chairman Finance Committee.

Towboats are having a rest for the time being, the water being too low to navigate.

The Keystone State will be up tonight for Pittsburgh and the Greenland for Pomeroy.

The towboat Fallie has gone to Bethlehem, Ind., to bring back to Cincinnati what remains of the New South, which broke away from her moorings two years ago last winter and was carried to Eagles Nest, Ky., where she laid for more than a year, when she was pushed away from the bank by the driftwood and carried to Bethlehem, below Madison.

One of the most delightful events promised for this season is the outing on the elegant excursion steamer Princess, on Saturday evening. The boat is to leave Maysville at 8 p. m. and make the run to Ripley, thence to Manchester and return, the fare being only 50 cents for adults and 25 cents for children. There will be music, dancing and refreshments on board. No more delightful outing can be imagined than a ride on the river at this season of the year and this is an opportunity seldom offered to enjoy that pleasure.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send list of testimonials.

FEARIS.

It's getting very dusty. Alva West went to the city Saturday. The frosts killed considerable tree foliage. Some farmers planted corn last week in the dust. The gardens got a black eye during last week's frosts. If the locust bloom is any sign there will be a great corn crop this season. Wilson Fearis and Pat Fry went to the city Sunday on the excursion train. Charles Cox had a horse badly snagged Sunday. Dr. C. B. patched it up some. Optimist doctrine won't always prove satisfactory to the old farmer and gardeners. Elder Thomas P. Degman and wife of Springdale were calling here Monday. Brother D. was on legal business. There was a rule adopted by Croxton Post, G. A. R., a few years ago that it meet on the Camp-ground during spring and summer, so, Dr. Bowman, you must meet the others half way the 24 day of June at 2 p. m. The ad valorem system of keeping up roads in the state of Lewis so far has proved a crafty humbug and getting worse all the time. The condition of roads in Lewis county is a terrible commentary on the intelligent people, especially when the metal is near at hand on more than two-thirds of the roads. The question is, why can't Lewis county have a better road system?

Winchester's \$150,000 hotel, the Brown-Proctoria, has opened for business, with Colonel W. H. Boewell, formerly of this city, in charge.

At its regular meeting last night Washington Camp No. 3, P. O. S. of A., initiated one candidate and received five applications for membership.

Hardly any one who has the pleasure of his acquaintance would for a moment take our urbane and popular County Clerk, C. L. Wood, for a hayseed, but the facts tend to show that he is somewhat on that order. If you have a gold brick scheme, or even asparagus, you can't work off on some other fellow try Clarence; he is easy game.

In porous glass, which is made in France, the holes are so small that neither dust nor draught can enter, and yet the ventilation is said to be excellent.

It is all right to talk about beauty habits, but most women are too busy hustling and have no time to cultivate beauty habits. Therefore they take Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. J. Jas. Wood & Son.

Warning!

Notice is hereby given all people not to deposit ashes, garbage or other waste on the right-of-way of any turnpike or dirt road in Mason county. People in cutting weeds and trimming trees should be careful and not let the weeds or brush fall where it is likely to stop up the ditch. Hogs, cattle or other stock must not be fed on road or road inclosure.

It is further ordered that at any point on said turnpikes or dirt roads where feuding has been set and interferes with the working of the said roads the parties owning said fence shall, when ordered by the Superintendent or Assistant, remove said fence so as not to interfere with working of the roads.

All fencing, when reset or replaced, must be removed from franchise of roads unless in the judgment of the Superintendent or Assistant it would be better for the protection of travel to let it come near the traveled part of road.

These orders are final and we expect our Superintendents to see that they are complied with. By order of Turnpike Advisory Board. W. P. SMOOT, Superintendent. William Luttrell, Assistant. my17 1t

THE PATIENCE OF JOB

Could Hardly Endure the Torment of Itching Piles.

Itching piles is constant torment—so is eczema.

No comfort all day, no rest at night. Can't keep your mind on work. No use to go to bed.

Suffer no longer; use Doan's Ointment. It gives relief in five or ten minutes. It cures in a short time—cures you to stay cured.

Maysville people endorse it. Mrs. S. F. Tolle, of 117 Short street, Maysville, Ky., says:

"Before I used Doan's Ointment, in March, 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment, procured at J. J. Wood & Son's Drugstore, cured me, as stated in a testimonial given at that time, and during the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes, and find that it is a specific for skin troubles and all itching diseases."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
